## STATE PROVES TO BE A VERY POOR PAYMASTER

When asked this morning what progress is being made on the North Ogden-Pleasant View cutoff, County Road Commissioner Ralph Corlew said:

"There is nothing doing just now. The crusher plant at the point of the mountain has been closed down on account of a strike on the part of some of the quarry men, who have not struck for higher wages but on account of not being paid for work done last month. Pay day will not come for last month's work until May 26, and some of the men are almost barefoot. They say they will look for another job to earn ready money enough to buy shoes and then they may return to the quarry. They are not local men, but transients to whom we give employment at \$2 a day. The state collects from the county for state road building and then assumes the responsibility of paying for the work done. We are helpless in the matter of paying the men at more frequent periods. It surely works a hardship on some of them when they cannot get their pay at least every 30 days. I don't know just when the crusher will be started again, but it will be as soon as possible. We can finish the cut-off in about ten days after resuming work."

R. Treseder has been granted a permit by the city engineering department to construct a brick and concrete garage at the home of Mrs. David Eccles on Jefferson avenue and Twenty-sixth street that will cost about \$10,000. The amount given in the applications is \$7500, but it is understood that the building will not cost less than \$10,000.

After beginning the work of leveling the Tabernacle square it has been discovered that hundreds of loads of dirt will have to be placed on north-west part of the grounds and, in order to accomplish that, leveling is now being confined to the east 200

## LAST OF THE LEAGUE GAMES TO BE SEEN IN SOME TIME

The final games between the Ogden and Salt Lake clubs today and tomorrow are expected to draw record-breaking crowds, not only because of the intense rivalry between the two but for the reason that they will be the last local professional games that will be played until the latter part of June.

The Ogden club will play in Salt Lake next week with the Sea Gulls and will then go north. For today's game Dad Gimlin announced Rusten-haven and Seabough as the battery, and stated that Ballinger would probably be on the mound tomorrow. Fitzgerald and Schultz were Hester's probable pitchers. Charley French of the Denver club is expected by the Sea Gulls in Ogden tomorrow. He is a second baseman.

## SOCIETY

**W. A. JUNIOR PROM.**  
A dancing party of exclusive appointment was given last evening when the Juniors of the Weber academy entertained over 250 persons in honor of the forty seniors of the 1914 class in the auditorium of the school which had been beautifully decorated for the occasion. Quite a novel and pretty idea of the decorative scheme, which represented spring in every detail, was the arrangement of a summer house and palm garden at the head of the hall. Marguerites, geraniums and potted palms were effectively arranged and the Misses Lavonne Anderson, Leona Johnson, Mary Campbell, Jetta Carstensen and Phyllis Wood, charmingly gowned, served ice cream and wafers at a booth among the flowers. Extending from the top of the summer house over the entire length of the hall was arranged a canopy of green lattice work from the squares of which were entwined wisteria vines and blossoms through which shone myriads of electric lights. The effect was most charming. Several pretty cozy corners were features of the decorative scheme and were adorned with spring blossoms and effectively draped with the school colors, purple and white. Many pennants were also in evidence. At the south end of the large auditorium a bowered booth enclosed a spring from which flowed Greenwell's delicious wild cherry punch. The idea was a novel one and the Juniors were more than once commended on their adaptability to outclass in entertaining. From the south end entrance to the hall a lattice promenade in green lead many of the dancers to an open air balcony, a Japanese bower with Japanese rugs and couches prettily placed. Japanese lanterns lent a soft, warm glow and carried out the decorative

schema. Very dainty program cards in sepia and gold with a cover design in lilies and daisies about a large gold J were pretty souvenirs. For the following program of dances, the school orchestra of twelve pieces furnished excellent musical numbers:

"Junior's Greeting Two Step," "Wisteria Waltz," "Invitation Two Step," "Flower Basket Waltz," "Cozy Corner Two Step," "Palm Walk," "Society Two Step," "Senior Glide," "Faculty Two Step," "Lattice Heel-tate," "14 Two Step," "15 Waltz," "Smilax Two Step," "Program Waltz," "Refreshment," "Hesitation," "Jack O'Lantern Glide," "Grapevine Two Step," "Weeping Willow Waltz," "Board Walk," "Good Night Seniors."

The following committee members are to be especially commended for their part in making the affair one of the most elaborate ever given at the school: Program and invitation, Miss Cora Kasius, A. Pearson, Leland Helmer, Jennie Barlow and Vera Jones; decoration, Jennie Campbell, Marian Read, Violet Anderson, Myron McIntyre, Venice Jones, Ed. Bagg, Bertha Workman, Volney Belnap and Nettie Watson; refreshments, Clara Brown, Violet Anderson and Bertha Workman.

## ANNOUNCEMENT PARTY AND SHOWER

Among the interesting social events of the week was the announcement party and shower given by Mrs. Frank Zimmerman at her home, 2428 Monroe Ave. Thursday evening, announcing the engagement of her charming and accomplished daughter, Miss Lauretta Greenwell, to Mr. Hal A. Lund of Salt Lake City, the marriage ceremony to be performed next Tuesday evening at the home of the bride-to-be, 2448 Monroe avenue.

An especially delightful decorative scheme was carried out in pink and pale yellow, pink Killarney roses and tiny yellow roses being effectively arranged throughout the rooms. During the evening musical selections were enjoyed and at an appointed hour, Miss Greenwell opened her parcels, the gifts of a number of that popular young lady's many friends. Articles of silverware, cutglass, hand-painted china, linens, pictures and many other gifts, too numerous to mention, were on display. Later in the evening, Mrs. Zimmerman, ably assisted by the Mesdames Frank and Homer Greenwell, served a delicious and daintily prepared buffet luncheon, the following guests participating: Messrs and Mesdames J. C. Carver and Frank J. Hendershot, Mesdames Lafayette Farley, D. Peterson, M. A. Greenwell, A. Greenwell, A. Y. Teague, Frank Greenwell, A. C. Yerington, Homer Greenwell, A. R. Ward, Frank Zimmerman and Henry Amerson; Misses Marjorie Lloyd, Edith Child, Elva Richardson, Marie Sanford, Jennie Olson, Mattie Poulter, Lauretta Greenwell, Rose Jacobson, Rebecca Yerington and Emer Sanford.

Following her marriage next Tuesday evening, Miss Greenwell, after a short honeymoon, will reside in Salt Lake City, where a lovely new bungalow awaits and where Mr. Lund is prominent in business circles.
